User Acceptance Testing (UAT) Template

Date	5 April 2025
Team ID	SWTID1743696165
Project Name	Bookie Nest: Book management website
Maximum Marks	

Project Overview:

Project Name: Bookie Nest – Online Book Store Platform

Project Description: Bookie Nest is a web-based platform designed to provide users with an intuitive experience to browse, search, and purchase books online. The system supports features such as user authentication, shopping cart, order management, and admin controls for managing book inventory, categories, and orders.

Project Version: v1.0

Testing Period: April 4, 2025, to April 7, 2025

Testing Scope:

Features and Functionalities to be Tested:

- User Registration & Login (Email, Facebook, Gmail)
- Book Browsing & Filtering (by category, author, price, rating)
- Cart Management and Order Placement
- Payment Integration (UPI, Net Banking, Credit/Debit Card)
- Order Confirmation & Invoice Generation
- Admin: Book Inventory and Category Management
- Admin: User Management & Sales Reporting
- Customer Support: Order Tracking, Issue Resolution
- User Stories USN-1 to USN-13 (as listed in the functional table)

Testing Environment:

URL/Location: [Web URL or Application Location]

Credentials (if required): [Username/Password]

Test Cases:

Test Case ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
TC-001	User Registration	1. Open Sign-up Page 2. Enter details 3. Submit	Account successfully created	Account successfully created	Pass
TC-002	User Login	1. Open Login Page 2. Enter credentials 3. Submit	User logged in successfully	User logged in successfully	Pass
TC-003	Book Preview	1. Select a Book 2. Click Preview	Preview Successful	Preview Successful	Pass
TC-004	Payment	1. Choose book 2. Enter payment details 3. Confirm	Payment processed successfully	Payment processed successfully	Pass
TC-005	Search Functionality	1. Enter keyword 2. Click search	Relevant results displayed	Relevant results displayed	Pass
TC-006	Add Review	1. Select book 2. Enter comment 3. Post	Comment appears below book	Comment appears below book	Pass
TC-007	User Profile Update	1. Go to profile 2. Edit details 3. Save	Profile updated successfully	Profile updated successfully	Pass
TC-008	Notification Alerts	1. Perform an action (like new upload)	Notification received	Notification received	Pass

Bug Tracking:

Bug ID	Bug Description	Steps to reproduce	Severity	Status	Additional feedback
BG- 001	No critical issues found	N/A	N/A	Closed	System functions as expected

Sign-off:

Tester Name: Anurag Anand

Date: 5 April 2025

Signature: Anurag

Notes:

- Ensure that all test cases for **Bookie Nest** cover both positive scenarios (e.g., successful book search, order placement) and negative scenarios (e.g., invalid login attempts, out-of-stock items).

- Encourage testers to provide detailed feedback on usability, performance, and any issues encountered, along with suggestions for enhancing the user experience.

- Bug tracking for **Bookie Nest** should include clear details such as severity level, current status, steps to reproduce the issue, and screenshots if applicable.

- Obtain final sign-off from both the project manager and product owner before proceeding with the deployment of **Bookie Nest** to the production environment.
